

2010 Women's Trial Dates

Welcome to the 2010 representative season.

As we know the more golf you can play, the better you will perform and cope with tight match conditions.

I have listed below tournaments that are in our region and I urge you to attend if and when you can, however there are also tournaments in Canterbury and Otago so if you can get to any of these your performances at these will also be looked at and the scores considered towards team selection.

TOURNAMENTS

5th August Timaru Women's Open

23rd August St Andrews Women's Open

27th – 29th Canterbury Provincial Championships or 36 hole stroke in conjunction with the men @ Timaru (Templar Trophy Team Named)

12th September – Association Weekend Tournament Temuka

October 10th - 36 hole Match play (Quadrangular team Named) course to be confirmed.

TEMPLER TROPHY

September 5th Ashburton (12 players)

SOUTH ISLAND INTERPROVINCIAL

October 16th & 17th Course to be confirmed (8 players) Interprovincial team named.

Team selection will be chosen on form, commitment, and consistency.

After the team is named I would like to see all team members attend the Otago Champs at Labour weekend and I will endeavour to arrange a match with the men's team (or a mans team)

Please can you contact me if you're intending to trial this year so to give me an idea of numbers.
